Re: A BILL FOR AN ORDINANCE RELATING TO PARKING METERS

I oppose the raising of parking fees in the Chinatown area. To do so would further the hardship faced by the many small businesses, and discourage people from visiting or staying longer.

Chinatown has long been neglected by the City as evidenced by its chronic problems, e.g. homeless, crime, health, drugs, sanitation, and many more. Raising the parking fees would be another example of the City's insensitivity to Chinatown, and will have a spiraling domino and negative effect impacting the businesses of Chinatown.
